ABOUT THE COMPANY

IC Solution (ICS) is a digital service provider that aims to provide software, designing and marketing solutions to individuals and businesses. At ICS, we believe that service and quality is the key to success

We provide all kinds of technological and designing solutions from Billing Software to Web Designs or any custom demand that you may have. Experience the service like none other!

Some of our services include:

Development - We develop responsive, functional and super-fast websites.

We keep User Experience in mind while creating websites. A website should load quickly and should be accessible even on a small view-port and slow internet connection.

Mobile Application - We offer a wide range of professional Android, iOS & Hybrid app development services for our global clients, from a start up to a large enterprise.

Design - We offer professional Graphic design, Brochure design & Logo design. We are experts in crafting visual content to convey the right message to the customers.

Consultancy - We are here to provide you with expert advice on your design and development requirement.

Videos - We create a polished professional video that impresses your audience.

OVERVIEW OF THE PROJECT

Project Name: Quient Trainings Pvt Ltd

Team Members: Deepa Tejashwini M S

Maitri S Gaonkar

Vidya V

Hemavathi P

This project is based on Web Development And its Applications. The main objective of this project is to learn the implementation of HTML, CSS and JavaScript. The basic webpage of this project is created using HTML and styling of the webpage is done using CSS. Java script for designing backend and php for storing the details entered by the user. Using sql we have structured the insertion and deletions of the data entered by the user.

ABOUT QUIENT TRAININGS Pvt Ltd

Quient training is an enthusiastic group intended to train students in colleges that are denied the privilege of Placement training, A group of Enthusiasts now have a vision of training students that don't have access to placement training that can help them get placed, and thereby build their future.

Why is Placement training important

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various Industries At present, the competition for employment is increasing every day and placement has become a challenging task. Training students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, the development of a holistic personality is also necessary.

Objectives and Training Activities by QG(Quient Group):

The prime objective of the Training Cell is:

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.
- To build confidence in students and develop the right attitude in them and
- enhance their communication skills.

Training Activities :

- Create awareness about "career planning" and "career mapping" among the students.
- Equip the student with life skills.
- Train the students on "Personality development".
- Organize Various Training Programmes to train the students in the areas of Quantitative

Aptitude, Logical Reasoning and Verbal reasoning through the reputed external training organizations and in-house trainers.

- Train the students through Mock Interviews to perform well in the professional interviews as per the expectations of the corporate world.
- Train the students on group discussion techniques.
- Conduct online tests and written aptitude tests.

TOOLS USED

Software Requirements

- Visual Studio Code 2019.
- Google Chrome or Microsoft Edge of latest version.
- Front End: HTML, CSS, JS
- Back End:SQL,PHP
- Linux 7.1 or Windows XP/7/8/10 OS or Mac OS

Hardware Requirements

- Pentium 200-MHz computer with a minimum of 64 MB of RAM (128 MB of RAM recommended).
- Monitor with a refresh rate of at least 40Hz for a smooth GUI experience (optional).

HOME/LANDING PAGE:-

The image shows the homepage of the QUIENT TECHNOLOGIES website. The header features the company name "QUIENT" in a yellow and white font, followed by a navigation menu with links to Home, About Us, Gallery, Testimony, and Contact Us. Below the header is a large, semi-transparent black banner containing the company's name "QUIENT TECHNOLOGIES" in white capital letters and a tagline "Better Place To Learn And Train" in a slightly smaller white font. At the bottom of the banner, there is a series of five circular icons (yellow, white, white, white, white) followed by a green WhatsApp icon. To the right of the WhatsApp icon, there is a message about activating Windows.

- Landing page is the first page of our application by which user can navigate to other pages.
- It also contains the objective, vision, mission and the training stats.

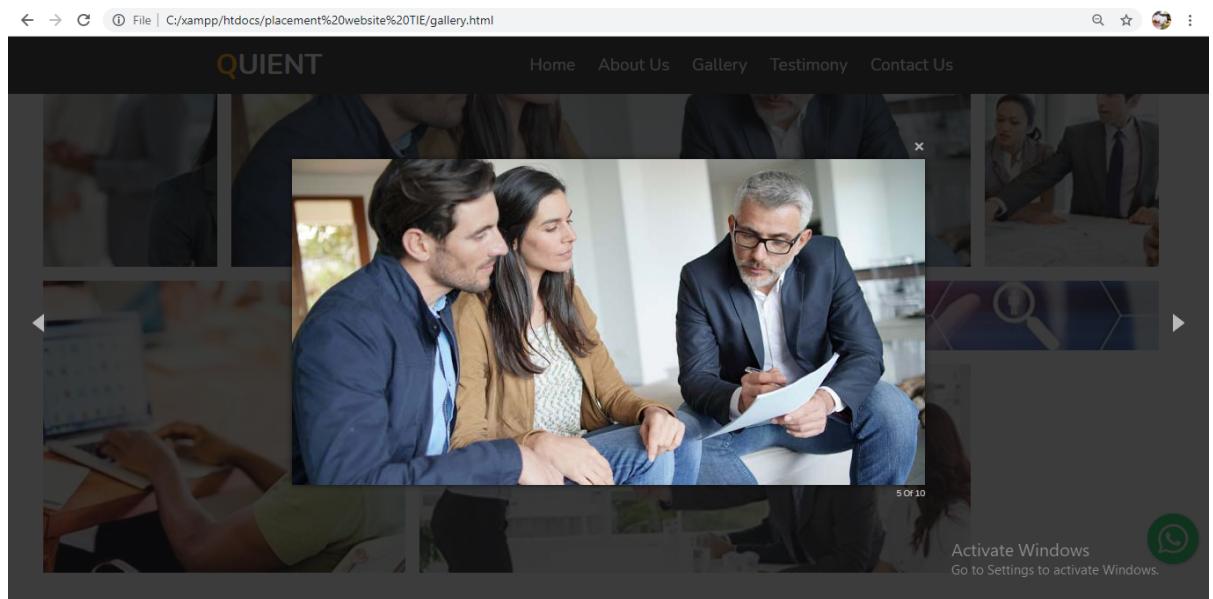

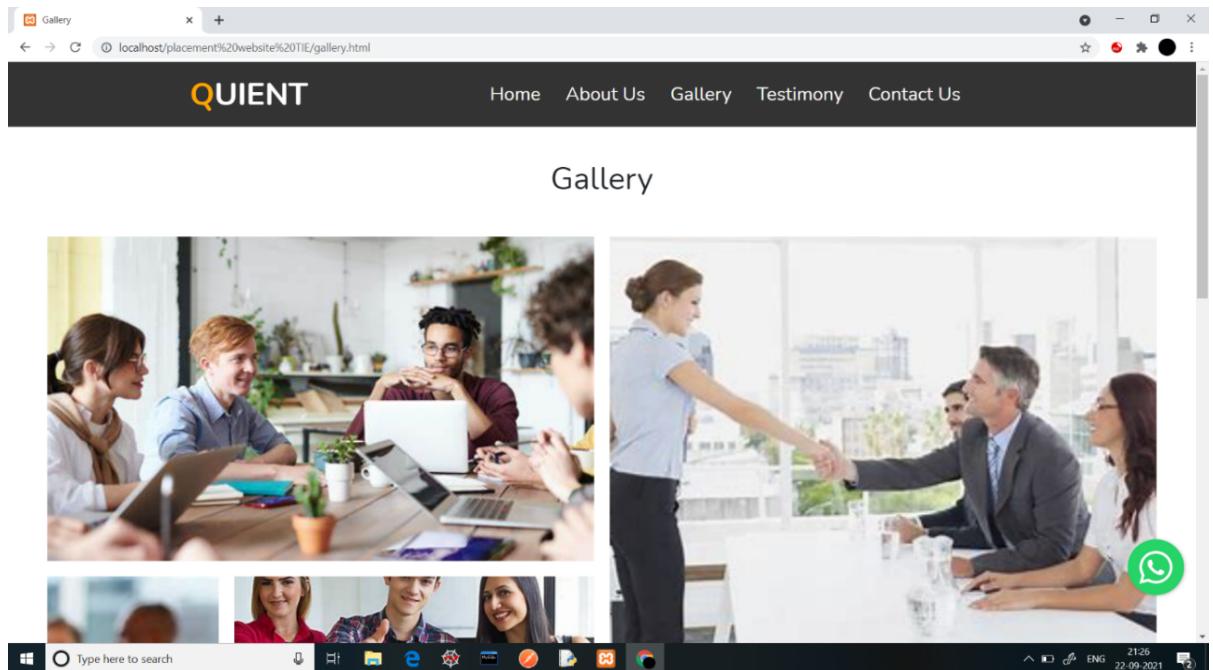

ABOUT US PAGE:-

The screenshot shows a web browser window with the title bar "About Us". The address bar displays the URL "localhost/placement%20website%20TIE/about.html". The main content area features a dark header with the word "QUIENT" in yellow. Below the header, a navigation menu includes "Home", "About Us", "Gallery", "Testimony", and "Contact Us". The main content starts with the heading "About" followed by "OVERVIEW & DETAILS". A paragraph describes the mission of Quient Training, stating they are an enthusiastic group training students denied placement opportunities. It emphasizes their vision to help students get placed and build their future. The next section, "Why Is Placement Training Important?", discusses the significance of placement training in shaping career goals and preparing students for employment. A red callout box highlights the "OBJECTIVES OF GP (QUIENT GROUP)". Inside the box, it says: "The prime objective of the Training Cell is" followed by three bullet points: "To look for 100% employment for all students.", "To recognize the core competencies of the students.", and "To train the students to meet the expectations of the industry through our Career Development Programmes." The bottom of the screen shows a Windows taskbar with a search bar, icons for various applications like File Explorer, Edge, and Google Chrome, and system status indicators.

- About page contains the general information of Quient organization.
- This contains overview & details of organization and also the objective of GP.

GALLERY PAGE:-

- Gallery page contains all the photos of organization.

TESTIMONY PAGE:-

The screenshot shows a website for 'QUIENT' with a dark header bar. The header includes the logo 'QUIENT' and navigation links for Home, About Us, Gallery, Testimony, and Contact Us. The main content area features a testimonial from Richard, a Business Intelligence Analyst, with a photo of him smiling while on a phone call. The testimonial text is as follows:

It Was A Pleasure Working With The Readygrad Team As They Were Very Professional And Helpful When Connecting Us With Students Who Wanted To Help With Placements.

Thank You Quiet Training For The Opportunity To Build My Work Experience At One Of Australia's Leading Engineering Companies – Winslow Constructions. I Am Very Happy And Satisfied With The Placement Opportunity, Which Matched My Goals And Career Aspirations.

Richard
Business Intelligence Analyst

On the right side of the page, there is a long vertical testimonial text that continues from the first testimonial, ending with a green circular icon containing a white phone receiver symbol.

It Was A Great Experience And Pleasure To Learn From Edvancer. In The Short Span Of Time The Course Covered The Predictive Analytics Techniques That Are Used In Day To Day Real Life Situations. One Can Really Build Upon From These Basics To All Advanced Topics. Another Hallmark Of The Course Was The Mode Of Delivery. The Online Class Room Is As Good As A Real Class Room Experience. The Class Rooms Were Highly Interactive With Brainstorming On Many Ideas From All Participants. Another Thing I Liked Most Was The R Language Environment Provided For Hands-On Practice. It Was Remarkable To Have 24/7 Up-Time Of The Environment. Go To Settings To Activate Windows. Never Faced Any Issues In Connecting To Environment.
